

**This HIGH PERFORMANCE BALEWRAP gives you 10% MORE bales saving you time and money.**

ENVIRO PLUS offers 1650m of film per roll, giving 150m MORE than traditional 1500m balewrap.

## 5 Layer Technology

With 10% more film per roll, it means you will have the ability to wrap an extra 3 bales more per roll than a traditional film.

### What does it mean?

ENVIRO PLUS balewrap offers the professional contractor baling 10,000 bales of silage per year:

3 more bales per roll meaning:

- ✓ Up to 1 pallet less of film required
- ✓ Less downtime (fewer roll changes)
- ✓ Less waste in roll cores and roll packaging
- ✓ Less roll handling
- ✓ Economical- saving money

	Traditional 1500m film	ENVIRO PLUS	Saving
<b>Rolls required</b>	312	282	-30 rolls
<b>Cost per roll</b>	£55	£57	+2
<b>Cost per metre</b>	£0.036 (3.6p)	£0.034 (3.4p)	-0.2
<b>Total cost</b>	£17,160	£16,074	£1,086

Based on contractor baling 10,000 bales per annum.
